

Your BRRRR LENDER

No Seasoning Requirements + 1007 Appraisals

Having a reliable capital partner that is well-versed in the BRRRR strategy can provide a seamless execution from beginning to end.

Here's how to supercharge your BRRRR with CV3:

BUY: Secure Your Property

For a smooth acquisition, tap into CV3's short-term bridge financing to help you move fast on a good deal.

REHAB: Transform the Property

With up to 100% Rehab Financing we can help you stay liquid through the renovation process.

RENT: Find Qualified Tenants

We understand you may not find tenants right away. That's why we offer 1007 appraisals which will allow you to refinance on the property's future rental income potential.

REFINANCE: Recycle Your Cash

Unlike most lenders, we have no seasoning requirements. As soon as the rehab is complete, you can take advantage of our cash out refinance and put your money back to work.

REPEAT: Scale Your Portfolio

Use your cash out funds to recycle your capital quickly and repeat the process over again!
